ATE macht mobil

Unser Produktportfolio können Sie jetzt auch per Smartphone abrufen. Über Stichwort- Fahrzeug- und Artikelsuche finden Sie schnell den passenden Artikel – und per Händlersuche mit integriertem Routenplaner auch gleich den nächsten ATE Vertragspartner.

Die ATE Katalog CD-Rom

Die zweimal pro Jahr erscheinende ATE Katalog CD-Rom „ETK“ basiert auf der TecDoc-Engine. Wer die TecDoc DVD kennt, kommt also genau so leicht mit der ATE Katalog CD zurecht.

ATE Online-Katalog

Noch aktuellere Informationen finden Sie im Online-Katalog von ATE. Hier werden die Kataloginformationen mindestens monatlich aktualisiert. Sie finden den ATE Online-Katalog unter www.ate.de.

ATE goes mobile

You can call up our product portfolio on your smart-phone. Using keyword, vehicle and article searches, you can quickly find the right article – and then use the dealer search with the integrated route planner to immediately find the nearest ATE authorised distributor.

The ATE catalog CD-Rom

The ATE catalog CD-Rom “ETK” appears twice a year and is based on the TecDoc engine. The ATE catalog CD will thus be easy to use for anyone familiar with the TecDoc DVD.

ATE online-catalog

Even more current information you find in the ATE onlinecatalog. Here the spare part information are posted at least monthly. You find the ATE online-catalog on www.ate-brakes.com.
